

Education

MPSTME, NMIMS University B. Tech in Computer Engineering CGPA: 7.5/10	2023 - 2027
H.R.Patel girls Higher Sec.School ,Shirpur HSC: 85.83%	2021 - 2023
H.R.Patel kanya madhyamik Vidyalaya , shirpur SSC: 97.60%	2021

Projects

Healthcare Data Integration Platform (NAMASTE) | RESTAPI, Python | 2025

- Built a backend application to organize and manage healthcare records using REST APIs.
- Designed API endpoints and a simple interface to improve data accessibility and consistency.
- Strengthened understanding of backend development, API integration, and collaborative software development practices.

Delivery Analytics & Route Optimization Platform | Python, React.js, Node.js, SQL | 2026

- Developed a web-based logistics platform to analyze delivery operations and optimize routes using transportation data.
- Built REST APIs, dashboards, and reporting modules to monitor fleet performance, delivery efficiency, and key business metrics.
- Applied route optimization and data analysis techniques to support efficient delivery planning and improve operational decision-making.

Internships

Wealtharth Technologies LLP - Web Portal Developer Intern (April 2026 – Present)

- Built role-based dashboards with KPI visualizations and advanced filtering/export, giving business teams faster access to operational and customer data for decision-making.
- Developed lead management and reporting modules that streamlined workflows for non-technical stakeholders.

Certifications&Publications

- Machine Learning Basics - Mathematics in Machine Learning, Udemy (Krish Naik Academy), 2026

CORE SKILLS

Analytical & Business: Structured problem-solving, data-driven decision-making, quantitative modeling, business impact analysis, critical thinking

Data & Tools: Excel, SQL, MySQL, MongoDB, Python (ML: Regression, Random Forest, XGBoost)

Programming: Python, Java, C++, SQL

Other Tools: Git, REST APIs, VS Code, SSMS

Web (secondary): React.js, Node.js, HTML/CSS/JavaScript

Soft skills: Communication, Adaptability, Accountability, Problem Solving, Collaboration

Achievements and Positions of Responsibility

- 1st Place - Yugantar Hackathon 2025
- Core Team Member - Avinya Club
- NMIMS Sobus Magic Scholar Fellowship Holder
