

Education

MPSTME, NMIMS University B. Tech in Information Technology CGPA: 2.39/4.0	2023 - 2024
M.H.S.S Junior college, Shindkheda HSC: 74.84	2021-2022
M.H.S.S High school, Shindkheda SSC: 81.50	2019-2020

Projects

1. Data Science — Student Exam Score Predictor Stack

(Python, Pandas, Scikit-learn, Matplotlib, Streamlit)

Load & clean a student dataset (study hours, attendance, past scores)

Train a Random Forest / Linear Regression model (~88% accuracy)

Build a Streamlit UI where you input student details → get predicted score

2. Web — Personal Finance Tracker Stack: React.js, Node.js, Express.js, MongoDB, Chart.js

Add/delete income & expense entries with categories

Dashboard with charts showing monthly spending breakdown

JWT login so each user sees their own data

3. Java — Library Management System Stack: Java, Spring Boot, MySQL, REST API (Postman for testing)

CRUD for Books, Members, and Borrow records

Logic to check if book is available / overdue fine calculator

REST APIs consumable via Postman or a basic frontend

Level: Beginner-Moderate | Time: 2–4 days

Certifications & Publications

• Art of Living

Completed Art of Living certification — developed self-discipline, pressure handling, communication skills, and emotional resilience through structured mindfulness-based training.

CORE SKILLS

Technical Skills

Programming Languages: Java, Python, JavaScript, SQL

Web & Backend Technologies: React.js, Node.js, Express.js, HTML, CSS

Databases: PostgreSQL, MySQL, MongoDB

Data & Analytics: Power BI, DAX, Data Modeling, Data Cleaning, SAS

Tools & Platforms: Git, GitHub, VS Code, IntelliJ IDEA, Jupyter Notebook, Figma

Soft Skills:

- Analytical thinking
- Problem solving
- Logical thinking
- Teamwork and Collaboration

Achievements and Positions of Responsibility

- Avinya club technical member

Handled the integration of Hardware with software to solve real life problems while performing technically managing and handling the team focusing on end goal. Helps me to build a leadership, hardware, software based skills.
