EDUCATION

R. C. Patel Institute Of Technology

B.Tech in Artificial Intelligence and Machine Learning

A.S.C. College

12th - 63%

N.M.V, Chunchale

10th - 90%

2023 – 2027

Shirpur, Maharashtra

2023

Chopda, Maharashtra

2021

Chopda, Maharashtra

EXPERIENCE

R3Sys India Private Limited

Python & Machine Learning Intern

Jan 2026 – Feb 2026

Onsite, Nashik

- Built multiple ML models with end-to-end pipelines covering data preparation, cleaning, and algorithm implementation.
- Integrated trained ML models with Flask to develop web-based interfaces for real-time predictions.
- Worked on real-world datasets and gained practical exposure to ML algorithms through project-based learning.

R3Sys India Private Limited

Java Developer Trainee

Jul 2025 – Aug 2025

Remote

- Developed Java-based projects including ATM System and CleanCity Waste Reporting System.
- Implemented JDBC and JSP–Servlet architecture for database connectivity and dynamic web applications.
- Contributed to testing, debugging, and maintaining clean and modular codebases.

PROJECTS

DoS Attack Detection System

Machine Learning Project

- Built ML-based classifier using NSL-KDD dataset (10,000+ records) to detect DoS attacks.
- Reduced features from 41 to 6 using feature selection, improving efficiency and performance.
- Developed real-time prediction interface using network parameters like protocol and bytes.

CleanCity Waste Reporting System

Full Stack Web Application

- Automated citizen reporting, officer assignment, and admin tracking using JSP and Servlets.
- Built responsive UI using HTML, CSS, and JavaScript for improved accessibility.
- Implemented secure JDBC-MySQL operations with role-based data access and real-time updates.

TECHNICAL SKILLS

- **Languages:** Java (Core & Advanced), Python, C, SQL
- **Tools:** Eclipse, VS Code, Git, GitHub, Jupyter Notebook
- **Web/Frameworks:** Flask, JSP, Servlets, HTML, CSS
- **Databases:** MySQL
- **AI/ML:** Machine Learning, Image Processing, Recommendation Systems

CERTIFICATIONS

- Machine Learning - Udemy
